PROMPT ANALYSIS

You've organized a group project with your classmates, and everyone agreed on their roles and deadlines. However, one member consistently fails to deliver their part on time, causing delays for the entire group. What would you say to your classmate?

Who are you talking to?	My classmate
Does talking to this person require using formal or informal register?	Informal
What is this situation?	Group project, everyone agreed on roles and deadlines, but 1 person doesn't follow the deadline
What do you have to tell this person to solve the situation? For example, do you have to: - Offer or ask for their opinion? - Express your gratitude? - Express your complaint? - Apologize or refuse?	Express complaint and/or Ask for their opinion

PROMPT ANALYSIS

You've organized a group project with your classmates, and everyone agreed on their roles and deadlines. However, one member consistently fails to deliver their part on time, causing delays for the entire group. What would you say to your classmate?

Sample response (basic)

Hi, I want to remind you that we've organized the group project, and we've all agreed on our roles and deadline, but you consistently fail to deliver your part on time, causing delays for our entire group (1). This is going to be an issue, and we all don't want it to continue (2). Do you have any problems that you can share with me? Maybe I can help you (3)

(1): The situation

(2): Required action (complain)

(3): Extended action (offering support)

PROMPT ANALYSIS

You've organized a group project with your classmates, and everyone agreed on their roles and deadlines. However, one member consistently fails to deliver their part on time, causing delays for the entire group. What would you say to your classmate?

Sample response (more advanced, using paraphrase)

Hi there. I noticed that you have been late and haven't met the deadline for your part in our group project. We have all agreed on our roles and deadlines, so this is causing delays for our entire group **(1)**. This would be a very big problem, and we'll get low scores from being late **(2)**. Is there anything you're having trouble with **(3)**?
